

Tenant Screening

Pre-Screening - National and international results

Instant ID Verification

Confirm the applicant is real instantly

Credit Check

Get a compliant credit report with a credit score

Criminal Record Check

Check national databases for criminal history

Employment Verification

Let us verify their employment for you

Talk to your account manager to see whether you can add extra public records searches and adverse media to your screening. Availability varies based on location.

You owe it to your reputation and other tenants to carry out extra screening. Get a more complete picture on applicants.

Highest Privacy & Compliance Standards

- FCRA-compliant
- Consent required
- Credible databases
- AES 256-bit encryption
- Bank-grade ID verification

Our in-house experts can help you maintain a compliant screening program in line with local laws and guidelines.
